## General Elections 2023

January 2023

By

Haider Ali

haiderkhalil@gmail.com

Stakeholders

- ECP Management
- PECs and Officers in HQ
- RECs/DECs
- DROs
- ROs
- Presiding Officers
- Election Observers
- Political Parties

Current Communication Model

Issues

- Long Communication Channel

- Sometimes important information/directions not communicated in time

- Multiple Mechanisms (No Standard Way)

- Difficult to find up-to-date information

Proposed Model

Benefits

- Instant exchange of information

- Standard way of information flow

- Soft data bank is maintained

- Model successfully implemented in KP in GE-2018

- Fully functional for the last **nine years** in KP and very much successful

Resources Required

- Servers
- Laptops
- Scanners
- Printers
- USB Devic
- Trainin

READY TO START

Zero Cost
